Packing

- 800 pieces bulk packed in a carton (*in stock*)

Packaging

- Packed in a cardboard-box
71 x 63 x 25 mm
1-coloured
German/English
(*in stock*)

Instruction for use

For spots and dirt rings one should repeatedly and forcefully rub the place in question with the rough side (crepe layer).

Remove dust from the leather by rubbing with the smooth side (sponge rubber). The rubber absorbs the dirt.

The rubbed off material is then best removed with a brush.

Suitable for:

- Velour leather
- Nubuck leather
- Buckskin leather
- Suede leather
